

# INDEX

## SUBJECTS

### A

- Abscess, Otogenic Brain, The Management of—Myers, E. N., and Ballantine, H. T., Jr. ....273  
 Abscesses, Otitic Temporal Lobe—Ruggles, R. L., and Cassady, C.....1259  
 A Case of Protruding Jugular Bulb—Smyth, G. D. L., and Black, J. H. A. ....669  
 A Case Study of Collapse of the Ear Canal During Audiometry—Ross, M., and Tucker, C. A.....65  
 Acoustic Neurinomas (Neurilemmoma). Review of 140—Erickson, L. S.; Sorenson, G. D., and McGavran, M. H. ....601  
 Activity of Cytochrome Oxidase in the Cochlea of the Guinea Pig—Conti, A., and Borgo, M. ....830  
 Adenoidectomy, Tonsillectomy and the Cleft Palate Clinic—Chalat, N. I. ....408  
 Adenotonsillectomy, Technique, and Postoperative Care—Talbot, H. ....1877  
 Adjuvant Tumor Chemotherapy in Advanced Head and Neck Cancer—O'Keefe, J. J., and Weiss, A. J. ....946  
 A Historical and Experimental Study of Cochlear Aqueduct Patency in the Adult Human—Ritter, F. N., and Lawrence, M. ....1224  
 A Method to Simplify Placement of the Wire Prosthesis—Furr, G. E., and Corgill, D. A. ....333  
 Amplifiers, Miniature Endocrine, as End Organs of the Involuntary Nervous System. The Functional Linkage Between Adrenal Medulla and Glomus Jugulare—Elliott, G. B. ....1817  
 Anatomic Considerations. (Part II. Symposium — Management of Ménière's Disease.) — Anson, B. J.; Donaldson, J. A.; Warpeha, R. L., and Winch, T. R. ....1497  
 A New Esophageal Feeding Tube—Schnitman, H. ....174  
 Angiography, Internal Auditory. The Vertebro-Basilar Arterial System and—Walker, E. A., Jr.....369  
 Antrum, Cylindroma of the Maxillary—Taylor, J. S.; Cooley, H. N., and Hicks, J. J. ....1727  
 Aqueducts, the Vestibular and Cochlear: Their Variational Anatomy in the Adult Human Ear—Anson, B. J.; Donaldson, J. A.; Warpeha, R. L., and Winch, T. R. ....1203  
 Architecture of the Nasal Septum; How Deviations Are Formed—Unger, M. ....322  
 A Review of 140 Acoustic Neurinomas (Neurilemmoma) — Erickson, L. S.; Sorenson, G. D., and McGavran, M. H. ....601  
 A Review of the Literature As to the Physiologic Dysfunction of Ménière's Disease: A New Hypothesis As to Its Fundamental Cause—Williams, H. L., Jr. ....1661  
 Aspergillosis, Primary, of the Paranasal Sinuses and Associated Areas—Hora, J. F. ....768  
 Atresia, Choanal, in the Newborn Infant: Report of Two Cases with Detailed Anatomic Studies—Peebles, E. McC.; Dent, J. H., and Rutledge, L. J. ....783  
 Audiometry, A Case Study of Collapse of the Ear Canal During—Ross, M., and Tucker, C. A.....65  
 Auditory Meatus, Stenosis of the External, Secondary to Chronic External Otitis Treated by a Simplified Surgical Method: Report of Case—Eichel, B. S., and Simonton, K. M. ....16

# INDEX

## SUBJECTS

### A

- Abscess, Otogenic Brain, The Management of—Myers, E. N., and Ballantine, H. T., Jr. ....273  
 Abscesses, Otitic Temporal Lobe—Ruggles, R. L., and Cassady, C. ....1259  
 A Case of Protruding Jugular Bulb—Smyth, G. D. L., and Black, J. H. A. ....669  
 A Case Study of Collapse of the Ear Canal During Audiometry—Ross, M., and Tucker, C. A. ....65  
 Acoustic Neurinomas (Neurilemmoma). Review of 140—Erickson, L. S.; Sorenson, G. D., and McGavran, M. H. ....601  
 Activity of Cytochrome Oxidase in the Cochlea of the Guinea Pig—Conti, A., and Borgo, M. ....830  
 Adenoidectomy, Tonsillectomy and the Cleft Palate Clinic—Chalat, N. I. ....408  
 Adenotonsillectomy, Technique, and Postoperative Care—Talbot, H. ....1877  
 Adjuvant Tumor Chemotherapy in Advanced Head and Neck Cancer—O'Keefe, J. J., and Weiss, A. J. ....946  
 A Historical and Experimental Study of Cochlear Aqueduct Patency in the Adult Human—Ritter, F. N., and Lawrence, M. ....1224  
 A Method to Simplify Placement of the Wire Prosthesis—Furr, G. E., and Corgill, D. A. ....333  
 Amplifiers, Miniature Endocrine, as End Organs of the Involuntary Nervous System. The Functional Linkage Between Adrenal Medulla and Glomus Jugulare—Elliott, G. B. ....1817  
 Anatomic Considerations. (Part II. Symposium — Management of Ménière's Disease.) — Anson, B. J.; Donaldson, J. A.; Warpeha, R. L., and Winch, T. R. ....1497  
 A New Esophageal Feeding Tube—Schnitman, H. ....174  
 Angiography, Internal Auditory. The Vertebro-Basilar Arterial System and—Walker, E. A., Jr. ....369  
 Antrum, Cylindroma of the Maxillary—Taylor, J. S.; Cooley, H. N., and Hicks, J. J. ....1727  
 Aqueducts, the Vestibular and Cochlear: Their Variational Anatomy in the Adult Human Ear—Anson, B. J.; Donaldson, J. A.; Warpeha, R. L., and Winch, T. R. ....1203  
 Architecture of the Nasal Septum; How Deviations Are Formed—Unger, M. ....322  
 A Review of 140 Acoustic Neurinomas (Neurilemmoma) — Erickson, L. S.; Sorenson, G. D., and McGavran, M. H. ....601  
 A Review of the Literature As to the Physiologic Dysfunction of Ménière's Disease: A New Hypothesis As to Its Fundamental Cause—Williams, H. L., Jr. ....1661  
 Aspergillosis, Primary, of the Paranasal Sinuses and Associated Areas—Hora, J. F. ....768  
 Atresia, Choanal, in the Newborn Infant: Report of Two Cases with Detailed Anatomic Studies—Peebles, E. McC.; Dent, J. H., and Rutledge, L. J. ....783  
 Audiometry, A Case Study of Collapse of the Ear Canal During—Ross, M., and Tucker, C. A. ....65  
 Auditory Meatus, Stenosis of the External, Secondary to Chronic External Otitis Treated by a Simplified Surgical Method: Report of Case—Eichel, B. S., and Simonton, K. M. ....16

B

- Bacteriological Investigation in Bronchoscopy—Milojevic, B.; Babic, I., and Bauk, V. ....68
- Bell's Palsy, Bilateral—McGovern, F. H. ....1070
- Bell's Palsy I: Diagnosis and Prognosis of Ideopathic Peripheral Facial Paralysis by Submaxillary Salivary Flow—Chorda Tympani Nerve Testing. A Study of 102 Patients—Blatt, I. M. ....1081
- Benign Congenital Parotid Hemangiomas in Infants—Cope, D. A., and Blanchard, C. L. ....1741
- Bilateral Abductor Paralysis of the Vocal Cords Secondary to the Arnold-Chiari Malformation and Its Management—Snow, J. B., and Rogers, K. A. ....316
- Bilateral Bell's Palsy—McGovern, F. H. ....1070
- Bilateral Idiopathic Hemotympanum Treated by Surgery—Femenic, B. ....297
- Bronchography by Cricothyroid Catheterization—Newman, J.; Schultz, S., and Langevin, R. E., Jr. ....774
- Bronchoscopy, Bacteriological Investigation in—Milojevic, B.; Babic, I., and Bauk, V. ....68

C

- Caloric Test, The Value of the Hot—Hart, C. W. J. ....302
- Cancer, Adjuvant Tumor Chemotherapy in Advanced Head and Neck—O'Keefe, J. J., and Weiss, A. J. ....946
- Cancer, Tonsil and Palatine Arch; Treatment by Radiotherapy—Schulz, M. D. ....958
- Carcinoma, Metastatic Mammary, of the Middle Ear and Mastoid—Shapoory, R. ....1756
- Carcinoma of the Laryngopharynx. Combined Surgical and Radiation Management of—Hudson, W. R., and Cavanaugh, P. J. ....1123
- Carcinoma of the Maxillary Sinus With Residual Thorotrast—Poushter, D., and Perl, T. ....74
- Carcinoma of the Vocal Cord: Laryngofissure in the Treatment of; A Report of Forty Cases and a Review of the Literature—Sessions, D. G.; Maness, G. M., and McSwain, B. ....490
- Carcinoma, Primary Tracheal. A Case Report—Miglets, A. W., Jr. ....1853
- Cartilage Graft Tympanoplasty Type III—Brockman, S. J. ....1452
- Cavernous Hemangioma of the Middle Ear and Mastoid—Tabor, J. R. ....673
- Cells, Cochlear Chromaffin—Hilding, D. A. ....1
- Cerebellopontine Angle. Technique of Posterior Fossa Myelography for the Diagnosis of Lesions in the—Pulec, J. L., Baker, H. L., Jr., and Miller, R. H. ....1572
- Cervical Lymphatic System. The Effect of Surgery on the—Sigel, M. E., and Fisch, U. P. ....458
- Chemodectomas of the Glomus Jugulare. The Role of Radiation Therapy in the Treatment of—Grubb, W. B., Jr., and Lampe, I. ....1861
- Chemotherapy, Adjuvant Tumor, in Advanced Head and Neck Cancer—O'Keefe, J. J., and Weiss, A. J. ....946
- Children, Nonorganic Hearing Loss in—Berger, K. ....447
- Children, Tympanoplasty in—Armstrong, B. W. ....1062
- Choanal Atresia in the Newborn Infant: Report of Two Cases With Detailed Anatomic Studies—Peebles, E. McC.; Dent, J. H., and Rutledge, L. J. ....783
- Choanal Atresia, Observations in Treating Twenty-Five Cases of, by the Transpalatine Approach—Owens, H. ....84

- Chronic Bacterial Sinusitis. (Contribution to Its Treatment with Streptokinase-Streptodornase)—Gomez C., L. A. ....161
- Cleft Palate Cases, Otolologic Care of—Fahey, D. J. ....570
- Cleft Palate Clinic. Tonsillectomy, Adenoidectomy and the—Chalat, N. I. ....408
- Clinical and Radiological Diagnosis of Labyrinthine Otosclerosis—Derlacki, E. I., and Valvassori, G. ....1293
- Clinical Diagnosis of Cochlear (Labyrinthine) Otosclerosis—Shambaugh, G. E., Jr. ....1558
- Cochlea of the Guinea Pig. Activity of Cytochrome Oxidase in the—Conti, A., and Borgo, M. ....830
- Cochlear Aqueduct Patency, A Histological and Experimental Study of, in the Adult Human—Ritter, F. N., and Lawrence, M. ....1224
- Cochlear Cells, The Distribution of Nucleic Acids in—Oshiro, H., and Perlman, H. B. ....44
- Cochlear Chromaffin Cells—Hilding, D. A. ....1
- Cochlear (Labyrinthine) Otosclerosis, Clinical Diagnosis of—Shambaugh, G. E., Jr. ....1558
- Combined Surgical and Radiation Management of Carcinoma of the Laryngopharynx—Hudson, W. R., and Cavanaugh, P. J. ....1123
- Cranial Motor Nerve Injuries in Otolaryngology, Some—Morrow, R. C., and Broder, A. I. ....988
- Cricopharyngeus Muscle, The, An Electromyographic Study in the Dog—Levitt, M. N.; Dedo, H. H., and Ogura, J. H. ....122
- Cricothyroid Catheterization, Bronchography by—Newman, J.; Schultz, S., and Langevin, R. E., Jr. ....774
- Cross-Modality Matching in the Study of Abnormal Loudness Functions—Thalmann, R. ....1708
- Current Trends in Reconstructive Surgery of the Congenitally Deformed Ear—Gorney, M.; Falces, E., and Shapiro, R. ....1438
- Cylindroma of the Maxillary Antrum—Taylor, J. S.; Cooley, H. N., and Hicks, J. J. ....1727
- Cyst, Epithelial, as a Complication of Stapedectomy: A Case Report—Merifield, D. O. ....1893
- Cysts, Midline, of the Nasal Dorsum: Embryologic Origin and Treatment—Pratt, L. W. ....968
- Cytochrome Oxidase, Activity of, in the Cochlea of the Guinea Pig—Conti, A., and Borgo, M. ....830
- Cytomegalic Inclusion Disease Affecting the Temporal Bone—Ward, P. H.; Lindsay, J. R., and Warner, N. E. ....628

## D

- Deafness, Perceptive, Following Prophylactic Use of Tetanus Antitoxin—Pantazopoulos, P. E. ....1832
- Deafness, Some Emotional Aspects of—Pochapin, S. W. ....57
- Dermoid, Nasopharyngeal, of the Newborn—Boles, L. R., Jr., and Harris, D. ....763
- Difficulty, Range of, of Four Harvard Phonetically Balanced Word Lists—Burke, K. S., Shutts, R. E., and King, W. P. ....289
- Diphtheria at the Present Time—Lang, W. S. ....1092
- Discrimination Improvement—Clubb, R. W. ....939
- Drugs, The Psychotropic: Considerations Relative to the Vestibular Pathways and Testing—Shuster, A. R. ....707
- Drum and Middle Ear Grafts in Cats. Part II—Withers, B. T.; Mersol, V., and Hatfield, S. E. ....22
- Dysphonias, Pitfalls in Treatment of, by Intracordal Injection of Synthetics—Rubin, H. J. ....1381

- Dysplasia, Monostotic Fibrous, of the Paranasal Sinuses—Pantazopoulos, P. E. ....335

## E

- Ear and Mastoid, Metastatic Mammary Carcinoma of the Middle—Shapoory, R. ....1756
- Ear Canal, A Case Study of Collapse of the, During Audiometry—Ross, M., and Tucker, C. A. ....65
- Ear, Congenital, Tympanoplasty with Stapedectomy in a—Cummings, G. O., Jr. ....922
- Ear, Congenitally Deformed, Current Trends in Reconstructive Surgery of the—Gorney, M.; Falces, E., and Shapiro, R. ....1438
- Ear Grafts, Drum and Middle, in Cats. Part II—Withers, B. T.; Mersol, V., and Hatfield, S. E. ....22
- Ear, Inner, The Efferent Innervation of the. A Historical-Bibliographical Survey—Rossi, G., and Cortesina, G. ....212
- Ear, Middle, and Mastoid. Cavernous Hemangioma of the—Tabor, J. R. ....673
- Ears, Weber Lateralization at Uninvolved Frequencies in Pathological—Miller, M. H.; Polisar, I. A., and Turbin, J. L. ....105
- Effects of Physical Exercise on Hand Steadiness—Simon, J. R., and Dare, C. E. ....1737
- Efferent Innervation of the Inner Ear, The. A Historical-Bibliographical Survey—Rossi, G., and Cortesina, G. ....212
- Electrogustometry, Psychogalvanic Skin Response—Borsanyi, S. J. ....823
- Electromyography, Vocal Cord, in the Dog—Dedo, H. H., and Ogura, J. H. ....201
- Electronystagmography — Millojevic, B. ....243
- Enchondral Bone of the Otic Capsule, Variations in the—Costa, O. A., and Covell, W. P. ....1462
- Endolymphatic Hydrops, Medical Management of (Part III. Symposium—Management of Ménière's Disease.)—Derlacki, E. L. ....1518
- Epistaxis, Transantral Ligation of the Internal Maxillary Artery for—Chandler, J. R., and Serins, A. J. ....1151
- Epithelial Cyst as a Complication of Stapedectomy: A Case Report—Merifield, D. O. ....1893
- Esophageal Feeding Tube, A New—Schnitman, H. ....174
- Exophthalmos, Progressive: Case Presentations—Preliminary Report of New Surgical Technique Used in Treatment—Smith, J. P. ....1160
- Experimental Observations Upon Reconstruction of the Nasal Dorsum—Barry, W. B. ....1320

## G

- Glossus Jugulare Tumors. (New Techniques for Determining Operability.)—Kohut, R. I., and Lindsay, J. R. ....750
- Glottic Reconstruction Following Subtotal Glottic-Supraglottic Laryngectomy—Ogura, J. H., and Dedo, H. H. ....865
- Glottic Valve Function, Immediate Temporary Restoration of—Lewy, R. B., and Mathews, R. ....1348
- Granuloma, Parotitis and Facial Paralysis in Mid-Line—Richards, S. H. ....137
- Granulomatosis, Wegener's—Yarlington, C. T., Jr.; Abbott, J., and Raines, D. ....259
- Gravis, Myasthenia, The Otolaryngologic Aspects of—Stuart, W. D. ....112

## H

- Hand-Schuller-Christian Disease of the Mastoid—McStravog, L. J. ....902
- Hand Steadiness, Effects of Physical Exercise on—Simon, J. R., and Dare, C. E. ....1737

- Headaches, Problem: I. Vascular  
Face Pain—Kabler, J. D. ....1334
- Head Noises, Subjective. (Tinnitus Aurium.) Genesis and Differential Diagnostic Significance. A Few Facts and Several Speculations—Fowler, E. P. ....1610
- Hearing Improvement Induced by Phlebotomy in Polycythemia—Davis, E. C., and Nilo, E. R. ....1847
- Hearing Loss, Nonorganic, in Children—Berger, K. ....447
- Hemangioma, Cavernous, of the Middle Ear and Mastoid—Tabor, J. R. ....673
- Hemangiomas, Benign Congenital Parotid, in Infants—Cope, D. A., and Blanchard, C. L. ....1741
- Hemorrhage, Inner Ear, in Leukemia. A Case Report—Schuknecht, H. F.; Igarashi, M., and Chasin, W. D. ....662
- Hemotympanum, Bilateral Idiopathic, Treated by Surgery—Femenic, B. ....297
- Histopathologic Confirmation of Labyrinthine Otosclerosis—Rüedi, L. ....1582
- Histopathological Findings After Experimental Saccular Destruction in the Squirrel Monkey—Igarashi, M. ....1048
- Historical Aspects of Ménière's Disease. (Part I. Symposium—Management of Ménière's Disease.)—Wilson, T. G. ....1491
- Hydrops, Sacculotomy for. (Part VI. Symposium—Management of Ménière's Disease.)—Fick, I. A. van N. ....1539
- Hydrops, Subarachnoid Shunt for Drainage of. A Report of 146 Cases. (Part VII. Symposium—Management of Ménière's Disease.)—House, W. F. ....1547
- Hydrops, Ultrasonic Therapy for—James, J. A. ....1552
- Hypophysectomy, Transpalatal—Trible, W. M., and Morse, A. E. ....1116
- Ideopathic Peripheral Facial Paralysis, Bell's Palsy I: Diagnosis and Prognosis of; by Submaxillary Salivary Flow—Chorda Tympani Nerve Testing. A Study of 102 Patients—Blatt, I. M. ....1081
- Immediate Management of Laryngeal and Tracheal Injuries—Harris, H. H., and Ainsworth, J. Z. ....1103
- Immediate Temporary Restoration of Glottic Valve Function—Lewy, R. B., and Mathews, R. ....1348
- Improvement, Discrimination—Clubb, R. W. ....939
- Incus in Tympanoplasty, The—Chandler, J. R. ....793
- Incus, Repositioning of the—Guilford, F. R. ....236
- Infants, Benign Congenital Parotid Hemangiomas in—Cope, D. A., and Blanchard, C. L. ....1741
- Injuries, Laryngeal and Tracheal. Immediate Management of—Harris, H. H., and Ainsworth, J. Z. ....1103
- Injuries, Some Cranial Motor Nerve, in Otolaryngology—Morrow, R. C., and Broder, A. I. ....988
- Inner Ear Hemorrhage in Leukemia. A Case Report—Schuknecht, H. F.; Igarashi, M., and Chasin, W. D. ....662
- Iron Deficiency in Otolaryngology—Danforth, H. B. ....169
- J
- Jugular Bulb, A Case of Protruding—Smyth, G. D. L., and Black, J. H. A. ....669
- K
- Kanamycin, The Ototoxicity of. A Comparative Histopathological Study—Matz, G. J.; Wallace, T. H., and Ward, P. H. ....1690

## L

Labyrinthine Otosclerosis, Clinical and Radiological Diagnosis of—Derlacki, E. L., and Valvassori, G. ....1293

Laryngeal and Tracheal Injuries, Immediate Management of—Harris, H. H., and Ainsworth, J. Z. ....1103

Laryngectomy, Glottic Reconstruction Following Subtotal Glottic-Supraglottic—Ogura, J. H., and Dedo, H. H. ....865

Laryngectomy, Life After—Barton, R. T. ....1408

Laryngofissure in the Treatment of Carcinoma of the Vocal Cord: A Report of Forty Cases and a Review of the Literature—Sessions, D. G.; Maness, G. M., and McSwain, B. ....490

Laryngopharynx, Combined Surgical and Radiation Management of Carcinoma of the—Hudson, W. R., and Cavanaugh, P. J. ....1123

Larynx, Sarcoidosis and Sarcoidosis of the—Devine, K. D. ....533

Leukemia, Inner Ear Hemorrhage in. A Case Report—Schuknecht, H. F.; Igarashi, M., and Chasin, W. D. ....663

Life After Laryngectomy—Barton, R. T. ....1408

Ligation, Transantral, of the Internal Maxillary Artery for Epistaxis—Chandler, J. R., and Serins, A. J. ....1151

Loudness Functions, Cross-Modality Matching in the Study of Abnormal—Thalmann, R. ....1708

Lymphoid Nodule Obstructing Wharton's Duct—Ray, J. W. ....270

## M

Mastoid, Cavernous Hemangioma of the Middle Ear and—Tabor, J. R. ....673

Mastoid, Hand-Schuller-Christian Disease of the—McStravog, L. J. ....902

Maxilla, Osteoid Osteoma of the, in a Four-Year-Old Patient—Hillman, B. S., and Birek, H. G. ....1872

Maxillary Antrum, Cylindroma of the—Taylor, J. S.; Cooley, H. N., and Hicks, J. J. ....1727

Maxillary Sinus, Carcinoma of the, With Residual Thorotrast—Poushter, D., and Perl, T. ....74

Medical Management of Endolymphatic Hydrops. (Part III. Symposium—Management of Ménière's Disease.)—Derlacki, E. L. ....1518

Ménière's Disease, A Review of the Literature As to the Physiologic Dysfunction of: A New Hypothesis As to Its Fundamental Cause—Williams, H. L., Jr. ....1661

Ménière's Disease, Historical Aspects of. (Part I. Symposium—Management of Ménière's Disease.)—Wilson, T. G. ....1491

Ménière's Disease, Surgical Management of. (Part V. Symposium—Management of Ménière's Disease.)—Jordan, R. ....1533

Metastatic Mammary Carcinoma of the Middle Ear and Mastoid—Shapoory, R. ....1756

Midline Cysts of the Nasal Dorsum: Embryologic Origin and Treatment—Pratt, L. W. ....968

Miniature Endocrine Amplifiers as End Organs of the Involuntary Nervous System. The Functional Linkage Between Adrenal Medulla and Glomus Jugulare—Elliott, G. B. ....1817

Monaural and Binaural Speech Intelligibility and the Stereophonic Effect Based Upon Temporal Cues—Harris, J. D. ....428

Monostotic Fibrous Dysplasia of the Paranasal Sinuses—Pantazopoulos, P. E. ....335

Mucormycosis of the Nose and Paranasal Sinuses—DeWeese, D. D.; Schleuning, A. J. II, and Robinson, L. B. ....1398

- Mucoviscidosis, Nasal Polyposis in—Despons, J., and Stoller, F. M. 475
- Multiple Sclerosis, The Vestibular System in. A Clinical-Histopathological Study—Ward, P. H.; Cannon, D., and Lindsay, J. R. 1031
- Myasthenia Gravis, The Otolaryngologic Aspects of—Stuart, W. D. 112
- Myelography, Technique of Posterior Fossa, for the Diagnosis of Lesions in the Cerebellopontine Angle—Pulec, J. L.; Baker, H. L., Jr., and Miller, R. H. 1572
- N
- Nasal Dorsum, Experimental Observations Upon Reconstruction of the—Barry, W. B. 1320
- Nasal Dorsum, Midline Cysts of the: Embryologic Origin and Treatment—Pratt, L. W. 968
- Nasal Polyposis in Mucoviscidosis—Despons, J., and Stoller, F. M. 475
- Nasal Septum, Architecture of the; How Deviations Are Formed—Unger, M. 322
- Nasopharyngeal Dermoid of the Newborn—Boies, L. R., Jr., and Harris, D. 763
- Nerve, Neurilemmoma of the Infraorbital—Emerick, C. W. 820
- Neurilemmoma of the Infraorbital Nerve—Emerick, C. W. 820
- Neurinomas (Neurilemmoma), Acoustic, A Review of 140—Erickson, L. S.; Sorenson, G. D., and McGavran, M. H. 601
- Neuroblastoma, Olfactory, Psammoma Bodies in—Caballes, R. L. 1749
- Neuro-Otologic Diagnosis, Practical Observations in—Wanamaker, H. H., and Bradley, W. H. 927
- Nodule, Lymphoid, Obstructing Wharton's Duct—Ray, J. W. 270
- Nonorganic Hearing Loss in Children—Berger, K. 447
- Nose and Paranasal Sinuses, Mucormycosis of the—DeWeese, D. D.; Schleuning, A. J. II, and Robinson, L. B. 1398
- Nose, The Use of Tantalum Foil and Rhinoplastic Procedures in the Correction of Adhesions in the Roof of the External—Ruddy, L. W. 1416
- Nystagmus and Vertigo, Positional, in Vestibular Neuritis—Boff, A. 484
- Nystagmus, The Quick Component of. A Presentation of a Theory of Its Origin and Mechanism Involving the Dynamic Rhythmic Inhibition of the Slow Component, Based Upon a Comprehensive Review of Prior Work and Additional Experimental Evidence—McCabe, B. F. 1619
- O
- Observations in Treating Twenty-Five Cases of Choanal Atresia by the Transpalatine Approach—Owens, H. 84
- Observations on Simultaneous Biplane Rotation as a Vestibular Stimulus: The Coriolis Effect. A Preliminary Report—Barber, H. O., and Johnson, W. H. 879
- Olfactory Neuroblastoma, Psammoma Bodies in—Caballes, R. L. 1749
- Osteoid Osteoma of the Maxilla in a Four-Year-Old Patient—Hillman, B. S., and Birek, H. G. 1872
- Osteoplastic Surgery of the Frontal Sinus—Alford, B. R.; Gorman, G. N., and Mersol, V. F. 1139
- Otic Capsule, Variations in the Enchondral Bone of the—Costa, O. A., and Covell, W. P. 1462
- Otitic Temporal Lobe Abscesses—Ruggles, R. L., and Cassady, C. 1259

- Otitis, Chronic External, Treated by a Simplified Surgical Method: Stenosis of the External Auditory Meatus Secondary to. Report of Case—Eichel, B. S., and Simonton, K. M. ....16
- Otitis, Persistent External—McLaurin, J. W.; Raggio, T. P., and Simmons, McH. ....1699
- Otogenic Brain Abscess, The Management of—Myers, E. N., and Ballantine, H. T., Jr. ....273
- Otolaryngology, Iron Deficiency in—Danforth, H. B. ....169
- Otolaryngology, Radioisotopes in—Goodman, M. ....639
- Otologic Care of Cleft Palate Cases—Fahey, D. J. ....570
- Otology, The Use of Plesiosectional Tomography in—Lapayowker, M. S.; Ronis, M. L.; Woloshin, H. J., and Ronis, B. J. ....1837
- Otosclerosis, Clinical Diagnosis of Cochlear (Labyrinthine)—Shambaugh, G. E., Jr. ....1558
- Otosclerosis, Cochlear, Radiologic Diagnosis of—Valvassori, G. E. ....1563
- Otosclerosis, Labyrinthine, Clinical and Radiological Diagnosis of—Derlacki, E. L., and Valvassori, G. ....1293
- Otosclerosis, Labyrinthine, Histopathologic Confirmation of—Rüedi, L. ....1582
- Otosclerosis, Some New Evidence on the Pathogenesis of—Gregg, J. B.; Holzhuter, A. M.; Steele, J. P., and Clifford, S. ....1268
- Otosclerosis, The Effect of Surgical Trauma In. A Report of Four Cases—Linthicum, F. H., Jr. ....35
- P**
- Palatine Arch Cancer, Tonsil and; Treatment by Radiotherapy—Schulz, M. D. ....958
- Papilloma, Human Nasal, Ultrastructure of a—G'ito, R. A.; Gaylord, W. H., and Hilding, D. A. ....144
- Paralysis, Bilateral Abductor, of the Vocal Cords Secondary to the Arnold-Chiari Malformation and Its Management—Snow, J. B., and Rogers, K. A. ....316
- Paralysis, Facial, Parotitis and; in Mid-Line Granuloma—Richards, S. H. ....137
- Paranasal Sinuses, Monostotic Fibrous Dysplasia of the—Pantazopoulos, P. E. ....335
